## DIED BOUND TO WIFE.

With his wife bound on the operating  
table of St. John's Hospital, Brooklyn  
where he had just undergone an opera-  
tion for blood transfusion, Policeman  
Harry J. Folger died early yesterday  
following an illness of nearly four  
weeks.Mrs. Folger had volunteered to un-  
dergo the ordeal in the hope of saving  
her husband, who suffered from intes-  
tinal hemorrhages. Every hour counted  
and the operation began at 1 o'clock  
yesterday morning.She had been on the operating table  
10 hours continuously before the trans-  
fusion of blood was stopped. Then it  
was found that Folger did not rally and  
in desperation, having no other volun-  
teers at hand, the physicians consented  
to a second transfusion from Mrs. Fol-  
ger. This was immediately undertaken  
but the policeman died while his wife  
was still strapped to him.Folger had been known as the "per-  
fect policeman," having passed his  
physical entrance examination for the  
department at 100 per cent.

annual meeting of the Synod of Vir-  
ginia will assemble at 8 o'clock tonight  
in the Presbyterian Church of Char-  
lottesville. The attendance will be large.  
Three hundred ministers and elders are  
expected. The Synod embraces the  
States of Virginia, West Virginia and  
the District of Columbia.Dr. George L. Petrie, pastor of the  
Charlottesville church, is the moderator  
of the Synod, and according to custom,  
will be expected to preach the opening  
sermon. But he has invited Dr. W.  
W. Moore, of Union Theological Semi-  
nary, to preach the sermon on this oc-  
casion, and Dr. Moore has accepted the  
invitation. Immediately after the  
sermon Dr. Petrie will call the Synod  
to order, and will preside until the  
election of a new moderator.

## PAINTER BEATEN TO DEATH.

David Franklin Marshall, a painter,  
was beaten to death Tuesday night at  
the Tiptop Hotel, a lodging house in  
Roanoke, Va., by an unknown man.  
Marshall Angell, a cripple, who was  
occupying the room in which the trag-  
edy occurred, is said to have witnessed  
the crime. At 10 o'clock Angell went  
to his room, being followed by Mar-  
shall, whom he had just met for the  
first time. A third man, it is declared,  
then appeared, and accusing Marshall  
of being there for the purpose of rob-  
bing the old man, knocked him down  
and kicked him in the face. The man  
is said to have disappeared after throw-  
ing the body on the lounge. Thomas  
Moran, on whose coat the police say  
bloodstains were found, has been ar-  
rested, and held on a charge of drunk-  
enness. A coroner's jury is investigat-  
ing the murder. Marshall had a wife  
and four sons residing in Roanoke.  
He was from Richmond, W. Va.At the dedication of the new chapel  
at St. Mary's College at Emmitsburg,  
Md., yesterday, Cardinal Gibbons an-  
nounced that the very Rev. D. J.  
Flynn, president of the institution, had  
been elevated to the rank of monsignor

## Temporary Heat Quickly

Did you ever stop to think of the many ways in which a  
perfect oil heater is of value? If you want to sleep with your win-  
dow open in winter, you can get sufficient heat from an oil heater  
while you undress at night, and then turn it off. Apply a match  
in the morning, when you get out of bed, and you have heat while you dress.  
Those who have to eat an early  
breakfast before the stove is radiating  
heat can get immediate warmth from  
an oil heater, and then turn it off.The girl who practices on the piano  
in a cold room in the morning can  
have warmth from an oil heater while  
she plays, and then turn it off.  
The member of the family who  
has to walk the floor on a cold win-  
ter's night with a restless baby can get  
temporary heat with an oil heater, and  
then turn it off. ThePERFECTION  
SMOKELESS  
OIL HEATER

Absolutely smokeless and odorless

Is invaluable in its capacity of quickly giving heat. Apply a match and it is im-  
mediately at work. It will burn for nine hours without refilling. It is safe,  
smokeless and odorless. It has a damper top and a cool handle. An indicator  
always shows the amount of oil in the font.It has an automatic-locking flame spreader which prevents the  
wick from being turned high enough to smoke, and is easy to remove and drop  
back so that the wick can be cleaned in an instant.  
The burner body or gallery cannot become wedged, and can be quickly  
unscrewed for reworking. Finished in Japan or nickel, strong, durable, well-  
made, built for service, and yet light and ornamental.Dealers Everywhere. If not at yours, write for descriptive circular

An House Lined with

is a place of enduring  
beauty, of domestic  
health, comfort and  
economy—warm in winter, cool in sum-

is not expensive.

are extravagant.  
They make a

Ivory Wall Plaster  
made from Rock Gypsum, makes a  
hard, tough, smooth, dense, dry, sani-

saves doctor bills, saves fuel, pro-
